

Welcome to Kosovo! For the first time our friends from Kosovo are ready to host the Women's 19 Championships this summer. The W19 will take place from 8 to 16 July 2023 in the city of Pristina and the "PALLATI I SPORTIT DHE RINISË" have been assigned as the venue for the event hosting a total of 9 nations.

The Championship will see the national teams of Slovakia, Italy, Finland, Kosovo and Great Britain meet each other in Group A; Austria, Poland, Latvia and Israel will play their matches in Group B.

Among the nine participating teams, there is a varying level of experience. And before all the medallists are known, a total of 24 matches will be played

across the Championship in Pristina, and we look forward to the exciting matches!

The Organising Committee has worked tirelessly to realise the 2023 YAC European Championship, and I hereby take the opportunity to thank the Kosovo Handball Federation and its leaders, the members of the OC and the volunteers in Pristina for their diligent efforts in arranging the Women's 19 EHF Championships.

Lastly, I send my best wishes to all the teams and thank them for their participation. I wish you all the best of luck for the championship and have a memorable experience in Kosovo. May the best team win!

Sporting regards,

Michael Wiederer  
EHF President
